## Riding With The King (Cover) by B.B. King & Eric Clapton

I dreamed I had a good job and I got well paid	You can see it in his face, the blue never lie
I blew it all at the penny arcade	Tonight everybody's getting their angel wings
A hundred dollars on a kewpie doll	And don't you know we're riding with the king?
No (1) chick is (2) make me	I stepped out of Mississippi
crawl	When I was ten years old
Get on a TWA to the promised land	With a (8) cut sharp as a razor
Every woman, child and man	And a heart made of gold
Gets a Cadillac and a great big diamond ring	I had a guitar hanging just about waist high
Don't you know you're riding with the king?	And I'm gonna play this thing (9) the day I die
He's on a (3) of (4) to the	(Don't you know we're riding with the king?)
new frontier	Don't you know we're riding with the king?
He's gonna check us all on out of here	
Up to that mansion on a hill	Don't you know we're riding with the king?
Where you can get your prescription filled	
	Riding, you're riding with the king
Get on a TWA to the (5) land	
Everybody	You're riding, you're riding with the king
Everybody clap your hands	
Clap (6) hands	Don't you know we're riding with the king?
And don't you just love the way that he sings?	
Don't you know we're riding (7) the king?	
Riding with the king	
Don't you know we're riding with the king?
