

Wild Child by Enya

Ever close your eyes
Ever stop and listen
Ever feel alive
And you've (1)_____ missing
You don't need a reason
Let the day go on and on
Let the rain (2)_____ down
Everywhere around you
Give (3)_____ it now
Let the day surround you
You don't need a reason
Let the (4)_____ go on and on
What a day, what a day to take to
What a way, what a way to make it through
What a day, what a day to take to a (5)_____ child
Only take the time
From the helter skelter
Every day you find
Everything's in kilter
You don't need a reason
Let the day go on and on

Fill in the gaps

Every summer sun
Every winter evening
Every spring to come
Every autumn leaving
You don't need a reason
Let it all go on and on
What a day, what a day to take to
What a way, what a way to make it through
What a day, what a day to take to a wild child
What a day, what a day to take to
What a way, what a way to make it through
What a day, (6)_____ a day to take to a wild child
What a day, what a day to take to
What a way, what a way to make it through
What a day, (7)_____ a day to take to
