Everywhere (2) you	Wha
Give into it now	Wha
Let the day (3) you	Wha
You don't need a reason	Wha
Let the (4) go on and on	Wha
What a day, what a day to take to	Wha
What a way, what a way to make it through	Wha
What a day, (5) a day to take to a wild child	Wha
Only take the time	
From the helter skelter	Wha
Every day you find	Wha
Everything's in kilter	chile
You don't (6) a reason	Wha
Let the day go on and on	

Every summer sun
Every winter evening
Every spring to come
Every autumn leaving
You don't need a reason
Let it all go on and on

What a way, what a way to make it through
What a day, what a day to take to a wild child
What a day, what a day to take to
What a way, what a way to make it through
What a day, what a day to take to a (7) child
What a day, what a day to take to
What a way, what a way to make it through
What a day, what a day to (8) to
What a way, what a way to make it through
What a day, (9) a day to take to a (10)
