

Fill in the gaps

Ever (1) your eyes	Every summer sun
Ever stop and listen	Every winter evening
Ever (2) alive	Every spring to come
And you've nothing missing	Every autumn leaving
You don't need a reason	You don't (8) a reason
Let the day go on and on	Let it all go on and on
Let the (3) down	What a day, (9) a day to take to
Everywhere (5) you	What a way, (10) i way to (11) i
Give into it now	through
Let the day surround you	What a day, what a day to (12) to a wild child
You don't need a reason	What a day, (13) a day to take to
Let the rain go on and on	What a way, what a way to make it through
What a day, what a day to take to	What a day, what a day to (14) to a (15)
What a way, what a way to make it through	child
What a day, what a day to take to a (6) child	What a day, (16) a day to (17) to
Only take the time	What a way, what a way to (18) it through
From the helter skelter	What a day, (19) a day to take to
Every day you find	
Everything's in kilter	What a way, (20) a way to make it through
You don't (7) a reason	What a day, what a day to (21) to a (22)
Let the day go on and on	child
	What a day, (23) a day to take to a (24)
	child
