(All you need is self-esteem)

## Fill in the gaps

Round, round, baby		All my girls are here with me
Round, round spinning out on me		Whiling out they've got their needs
I don't need no man, got my kicks for free		(Do you feel me, do you (3) me)
We'll ride (1)	fired on the beat down low	(Do you feel me, do you feel me)
I don't need nobody but	my honeys	Round, round baby
When I go round, baby		Round, round spinning out on me
Round, round spinning out on me		I don't need no man got my kicks for free
don't need no man, got my kicks for free		We'll ride still fired on the beat (4) low
When you stare at my face		I don't need nobody but my honeys
You're messing with my brain		When I go round, baby
If you're trying to convince me		Round round spinning out on me
Then you better think again		I don't need no man, got my kicks for free
If you move to the music		We'll ride still fired on the (5) down low
The music's got to give		I don't need nobody but my honeys when I go
If it's too complicated		Does it hurt when you see how I've done
That's the way I wanna live		Without you thought (6) I couldn't belong
If you hate me		Never (7) that you could be so cruel
I will show you		All you need is some friends
How to brake me		Won't be by yourself
Into something new		Let's go round and round and round and round
f you want me		Round, round baby
Run away now		Round, round spinning out on me
If you stop me		I don't (8) no man got my kicks for free
Then I'll hit the ground		We'll ride still fired on the beat down low
(And we go, here we go)		I don't need nobody but my honeys
Round, round baby		When I go round baby
Round, round spinning out on me		Round, round spinning out on me
don't need no man, got my kicks for free		I don't need no man, got my kicks for free
We'll ride still fired on the beat down low		We'll (9) still fired on the beat down low
don't need (2) but my honeys when I go		I don't need nobody but my honeys
Explanations, no you do	on't need one	When I go round, (10) when I go (when I go)
Having a good time getting down to the fun		When I go (when I go)
And it's your time		When I go (when I go)
Just tonight he'll be mine and he's gone		When I go round, baby when I go (when I go)
(Yeah, yeah)		When I go (when I go)
People moving, bodies grooving		When I go (when I go)
Never ending playaz are changing		When I go
