

Finally the hills are without eyes

They are tired of painting a dead man's face red

With their own blood

They used to love having so much to lose

Blink your eyes just once and see everything in ruins

Did you ever hear what I told you

Did you ever read what I wrote you

Did you ever listen to what we played

Did you ever let in what the world said

Did we get this far just to feel your hate

Did we play to become only pawns in the game

How blind can you be, don't you see

You chose the long road but we'll be waiting

Bye bye beautiful

Bye bye beautiful

Jacob's ghost for the girl in (1)_____

Blindfold for the blind

Dead siblings walking the dying earth

Noose around a choking heart

Eternity torn apart

Slow toll now the funeral bells

"I need to die to feel alive"

Did you ever hear (2)_____ I told you

Did you ever read what I wrote you

Did you ever listen to (3)_____ we played

Did you ever let in what the (4)_____ said

Did we get this far just to feel your hate
Did we play to become only pawns in the game
How blind can you be, don't you see
You chose the long road but we'll be waiting
Bye bye beautiful
Bye bye beautiful
It's not the tree that forsakes the flower
But the flower that forsakes the tree
Someday I'll learn to love these scars
Still fresh from the red-hot blade of your words
....How blind can you be, don't you see...
...that the gambler lost all he does not have...
Did you ever hear (5)_______ I told you
Did you ever listen to what I wrote you
