

## Fill in the gaps

All along it was a fever	Something in the way you move
A cold (1) hot-headed believer	Makes me (9) like I can't live
I threw my hands in the air	(10) you
Said show me something	It (11) me all the way
He said, if you dare come a (2) closer	I want you to stay
Round and around and around we go	(Oooh) the (12) I (13) on
(Oh oh) now tell me now, tell me now	(Oooh) 'cause I need (14) hole gone
Tell me now you know	Funny all the (15) ones
Not really (3) how to feel about it	But I'm the (16) one who needed saving
Something in the way you move	'Cause (17) you never see the light
Makes me feel like I can't (4) without you	It's hard to know (18) one of us is caving
It takes me all the way	Not (19) (20) how to
I want you to stay	(21) about it
It's not much of a life you're living	Something in the way you move
It's not (5) something you take	Makes me (22) (23) I can't
It's given	(24) without you
Round and (6) and (7) and	It takes me all the way
around we go	I want you to stay
(Oh oh) now tell me now, tell me now	Stay
Tell me now you know	I (25) you to stay
Not really sure how to (8) about it	(Oooh)
