

Fill in the gaps

I used to be so fearless so (1) and	I wouldn't see the worst and it only (7) r	
free	I love to be alive but I was not afraid to die	
Happy on my own and nothing (2) bothered		
me	I've got everything to lose	
I had (3) to see the world, jump out of		
planes and fly	Since I've met you	
And I (4) to be alive but I was not afraid to die	I've got (8)	to lose
	(Since I've met you)	
I used to be so sure of things and self-contained		
I could carry on (5) no need to explain	I've got everything to lose	
It didn't (6) if I ever made it home		
Could go too fast, and drink all night and dance alone	Since I've met you	
I love to be alive but I was not afraid to die	I've got everything to lose	
I love to be alive but I was not afraid to die	Since I've met you	
	I've got (9)	to lose
I've got everything to lose		
I used to be so thoughtless, so easy and free		
Could walk away, not think ahead		
And had no plans to keep		
No hand to told, no one to bring down with me
