

Fill in the gaps

I used to be so fearless so limitless and free	I wouldn't see the worst and	it (22) hurts me
Happy on my own and (1)	I love to be (23)	but I was not afraid to die
(2) bothered me		
I had desires to see the world, jump out of planes and fly	I've got everything to lose	
And I (3) to be alive but I was not		
(4) to die	Since I've met you	
	I've got (24)	to lose
I (5) to be so (6) of (7)	(Since I've met you)	
and self-contained		
I could (8) on (9) no need to explain	I've got everything to lose	
It didn't matter if I ever (10) it home		
Could go too fast, and (11) all night and dance	Since I've met you	
alone		
	I've got everything to lose	
I love to be (12) but I was not		
(13) to die	Since I've met you	
	I've got (25)	to lose
I (14) to be (15) but I was not afraid		
to die		
I've got (16) to lose		
I used to be so thoughtless, so (17) and free		
Could (18) away, not (19) ahead		
And had no (20) to keep		
No hand to told, no one to bring (21) with me
