Girl (1) girl	Still got my hands they're clinging
When I hear him talk	So I just keep going
(Ooh) my mind gets (2) girl	I don't know (7) I belong
Speak up 'cause my jaw is locked	Could I (8) to you
Which is good, good for me girl	No I don't know where I belong
It hides like a warning sign	Could I belong
But I'm too blind to see	Could I belong
Speak up yes I'm coming down	Still got my hands they're clinging
With an ice cold fever	So I just (9) going
Ice cold fever	I don't know where I belong
Ice cold fever	Could I belong to you
Still got my hands they're clinging	No I don't (10) where I belong
So I just keep going	Could I belong
I don't (3) where I belong	(Oh girl)
Could I belong to you	Could I belong
No I don't know where I belong	To you, you
Could I belong	To you, yeah you
Girl girl girl	To you, you
Get it while it's hot they say	To you, yeah you
You see I'm burning up here	To you, you
I want to but I just can't stop	Yeah I belong to you
And it hurts	Say you yeah you
It hurts like hell girl	Could I belong to you
You turn me inside out and upside down	Alright
(Ooh) you got me head over heels	Hey!
