

We've had our problems but I'm on your side

## Fill in the gaps

## Something Happened On The Way To Heaven by Phil Collins

We had a life	You're all I need
We had a love	Please (10) me
But you don't know what you've got 'til you lose it	You can run
Well that was then	And you can hide
And this is now	But I'm not (11) 'til it's all over
And I want you back	We've had our problems but I'm on your side
How many times can I say I'm sorry	You're all I need
(How many times)	Let me (12) you
Yes, I'm sorry	They say you can't take it with you when you go
How can something so good go so bad	And I (13) it
How can something so (1) go so wrong	But (14) (15) I've got or
Well I don't know	(16) (17) with you
I don't have all the answers	You know I'd, I'd rather leave it
And I want you back	We had a life
How many times can I say I'm sorry	We had a love
(How many times)	But you don't know what you've got 'til you lose it
Well you know	Well (18) was then
You can run	And (19) is now
And you can hide	And I want you back
But I'm not leaving (2) you (3)	How many times can I say I'm sorry
(4) me	(How (20) times)
We've had our problems but I'm on (5) side	Oh yes, I'm sorry
You're all I need	(Sorry, sorry)
Please believe in me	Well you know
(Oh, yeah)	You can run
I only (6) someone to love	And you can hide
But something (7) on the way to heaven	But I'm not leaving less you come (21) me
It got a (8) of me and wouldn't let go	We've had our problems but I'm on your side
And I want you back	You're all I need
How many times can I say I'm sorry	Please believe me
(How many times)	You can run
Oh yes, I'm sorry	And you can hide
(Sorry)	But I'm not leaving 'til it's all over
Well you know	We've had our problems but I'm on (22) side
You can run	You're all I need
And you can hide	Please believe in me
But I'm not leaving less you (9) with me	

## 1. right
