

Fill in the gaps

When the (1) is (2) up yonder	Never (12) yourself away
I hope you see me there	It's in the water
It's in the water	It's in the story
It's (3) you (4) from	It's (13) you came from
It's in the water	The sons and daughters
It's where you (5) from	In all (14) glory
When the crowd begins to wonder	It's (15) shape them
And (6) cry to see your face	And (16) (17) clash
It's in the water	And come together
It's in the story	And start rising
It's where you came from	Just drink the water
The sons and daughters	Where you came from
In all their glory	Where you (18) from
It's (7) shape them	
And when (8) clash	And when they clash
And come together	And (19) together
And (9) rising	And (20) rising
Just drink the water	Just (21) the water
Where you came from	Where you came from
Where you (10) from	Where you came from
You're the rose	
That was (11) from yonder
