Pandemonium by Pet Shop Boys

s this a riot or are you just pleased to see me	Dance to your drum
Vhy aren't we (1) (2) and	And now
3) sweets	It's pandemonium
love you (4) though I know no one believes	I can't make sense of anything
ne	All I know is the party's in (16) swing
There's chaos (5) time we meet	If we (17) just stopped for a minute
Dh no, (6) what you've (7) and done	I (18) war and then you'd win it
ou're creating pandemonium	To tell you the truth
That song you sing (8) everything	I thought I was shockproof
To me	Until I saw (19) you get up to
'm living in ecstasy	When you think about it, it's quite an achievement
The stars and the sun	That after all
Dance to (9) drum	l still (20) you
And now	Oh no, (21) what you've gone and done
t's pandemonium	You're (22) pandemonium
ou're crashing everywhere	That song you (23) means everything
t's like you're smashing china	To me
Skidding on an icy road	I'm living in ecstasy
ou're major trouble since you were almost a minor	My world's gone mad, what did you do
sometimes think we'll both explode	Telling perfect strangers that I love you
Oh no, look what you've (10) and done	The stars and the sun
ou're creating pandemonium	Dance to your drum
That song you (11) means everything	And now
Го те	It's pandemonium
'm (12) in ecstasy	
My world's (13) mad, (14) did you do	
Felling perfect (15) that I love you
