

Pandemonium by Pet Shop Boys

Is this a riot or are you just pleased to see me Why aren't we holding hands and talking sweets I love you really though I (1)_____ no one (2)_____ me There's chaos every time we meet Oh no, look what you've gone and done You're (3)_____ pandemonium That song you sing means everything To me I'm living in ecstasy The stars and the sun Dance to your drum And now It's pandemonium You're crashing everywhere It's like you're smashing china Skidding on an icy road You're major (4)___ since you were ____ a minor I sometimes think we'll (6)_____ explode Oh no, look what you've gone and done You're creating pandemonium That song you sing means everything To me I'm living in ecstasy My world's gone mad, what did you do

Telling perfect strangers that I love you

The stars and the sun

Fill in the gaps

Dance to your drum

Dance to your drain
And now
It's pandemonium
I can't make sense of anything
All I know is the party's in full swing
If we both just stopped for a minute
I declare war and (7) you'd win it
To (8) you the truth
I thought I was shockproof
Until I saw what you get up to
When you think about it, it's quite an achievement
That after all
I still love you
Oh no, look what you've (9) and done
You're creating pandemonium
That song you sing means everything
To me
I'm (10) in ecstasy
My world's gone mad, what did you do
Telling perfect strangers that I love you
The stars and the sun
Dance to your drum
And now
It's pandemonium
