Don't You Want Me by The Human League

You were working as a waitress in a cocktail bar	Either with or without you
When I met you	The five years we (7) had have (8) such
I picked you out, I shook you up and (1) you	good times
around	I still love you
Turned you into someone new	But now I think it's time I live my life on my own
Now five years later on you've got the world at your feet	I guess it's just what I must do
Success has been so easy for you	Don't
But don't forget it's me who put you where you are now	Don't you (9) me
And I can put you (2) down too	You know I can't believe it
Don't	When I hear that you won't see me
Don't you want me	Don't
You know I can't believe it	Don't you want me
When I hear that you won't see me	You know I don't (10) you
Don't	When you say that you don't need me
Don't you want me	It's much too late to find
You know I don't believe you	You think you've changed your mind
When you say (3) you don't need me	You'd better change it back or we will both be sorry
It's much too late to find	Don't you want me baby
You (4) you've changed your mind	Don't you want me, oh
You'd better (5) it back or we will both be	Don't you want me baby
sorry	Don't you want me, oh
Don't you want me baby	Don't you want me baby
Don't you want me, oh	Don't you want me, oh
Don't you want me baby	Don't you want me baby
Don't you want me, oh	Don't you want me, oh
I was working as a waitress in a cocktail bar	
That much is true	
But even (6) I knew I'd find a much better place
