## The Stars (Are Out Tonight) by David Bowie

			They're waiting to m	ake their moves
Stars are never sleeping			But the stars are out tongiht	
Dead ones and	I the living			
We (1)	(2)	to the earth	Here (17)	are upon the stairs
Never to the heavens			Sexless and not aware	
The stars are never far away			They are the stars, they're dying for you	
Stars are out tonight			But I hope (18) live forever	
They watch us	(3)(4)_	their shades	They (19)	_ you with their (20)
***, Jack and (5) and Brad			smiles	
From hehind their (6) window stretch			Trap you with their beautiful eyes	
Gleaming (7)_	(8)	sunshine	They're (21)	and shamed or drunk or scared
Stars are never sleeping			But I (22) they live forever	
Dead ones and the living			Their jealousy's spilling down	
Waiting for the first move			The stars must stick together	
Satyrs and their child wives			We will never be rid	of (23) stars
Waiting for the last move			But I hope (24)	(25) forever
Soaking up our (9) world			And they know just what we do	
Stars are (10)_	sleepi	ng	That we (26)	and turn at night
Dead ones and the living			They're waiting to make their moves on us	
Their jealousy's spilling down			But the stars are out tonight	
The stars must (11) together			Yeah	
We (12) be rid of these stars			The stars are out tonight	
But I (14) they live forever			The stars are out tonight	
And (15) know just what we do			Yeah	
That we toss ar	nd (16) a	at night
