

Fill in the gaps

So I look in (1) direction		Just you try and stop me	
But you pay me no attention, do you?		I'll be waiting in line	
(2) you don't listen to me		Just to see if you care	
Cause you say you see straight (3)	me	If you care	
Don't you?		(Oh)	
And on and on		Did you want me to change?	
From the moment I wake		Well I changed for good	
To the moment I sleep		And I want you to know	
'll be there by your side		That you'll always get your way	
Just you try and (4) me		I wanted to say	
'll be waiting in line		Don't you shiver	
Just to see if you care		Don't you shiver	
(Oh)		Sing it loud and clear	
Did you want me to change?		I'll always be waiting for you	
Well I changed for good		Yeah, I'll always be waiting for you	
And I want you to know		Yeah, I'll always be waiting for you	
That you'll always get your way		Yeah, I'll always be (9)	for you, for you
wanted to say		I will always be waiting	
Don't you shiver		And it's you I see but you don't see me	
Shiver		And it's you I hear so loud and so clear	
Sing it loud and clear		I sing it loud and clear	
'll (5) be (6)	_ for you	And I'll always be waiting for you	
So you know how much I need you		So I look in (10) direction	
But you never even see me, do you?		But you pay me no attention	
And is this my final chance of getting you		And you know how much I need you	
And on and on		But you never even see me	
From the (7) I wake			
To the moment I sleep			
'll be (8) by your side
