

Fill in the gaps

Feel For You by Nightwish

You were my first love
The earth moving under me
Bedroom scent, beauty ardent
Distant shiver, (1)_____ sent
I'm the snow on your lips
The freezing taste, the silvery sip
I'm the (2)_____ on your hair
Endless nightmare, devil's lair
Only so many times
I can say, I long for you
The (3)_____ among the thorns
The prey (4)_____ the wolves
Someday, I will (5)_____ a snake
Drink her venom, stay awake
With (6)_____ all (7)_____ will fade
Through your memory I will wade
Barely (8)_____ in her grave
Barely warm in my bed
Settling for a draw tonight
Puppet girl, your strings are mine
Barely cold in her grave

Barely warm in my bed
Settling for a (9)_____ tonight
Puppet girl, your strings are mine
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
This one is for you
For you, (10)_____ for you
Just give in to it never think again
I feel for you
This one is for you
For you, only for you
Just give in to it never think again
I feel for you
