

Fill in the gaps

You were my first love	Barely warm in my bed
The (1) moving (2) me	Settling for a draw tonight
Bedroom scent, (3) ardent	Puppet girl, (16) (17) are mine
Distant shiver, (4) sent	This one is for you
I'm the snow on your lips	For you, only for you
The (5) taste, the (6)	Just give in to it (18) think again
sip	I (19) for you
I'm the breath on your hair	This one is for you
Endless nightmare, devil's lair	For you, only for you
Only so (7) times	Just (20) in to it (21) think again
I can say, I (8) for you	I feel for you
The (9) among the thorns	This one is for you
The prey among the wolves	For you, (22) for you
Someday, I will feed a snake	Just (23) in to it never (24) again
Drink her venom, stay awake	I feel for you
With (10) all pain will fade	
Through your memory I (11) wade	©RANKA KUSTANNUS OY
Barely cold in her grave	
Barely (12) in my bed	
Settling for a (13) tonight	
Puppet girl, (14) strings are mine	
Barely (15) in her grave
