

## Fill in the gaps

## All That I'm Living For (Live) by Evanescence

I can feel the (1) beginning	All that I can't ignore alone at night
Separate me from the living	All that I'm wanted for
Understanding me	Although I (10) more
After all I've seen	Lock the (11) open door
Piecing (2) thought together	My (12) are (13) on m
Find the words to (3) me better	Guess I thought I'd (14) to change the world
If I only knew	To make you see me
How to pull myself apart	To be the one
All that I'm living for	I could (15) run forever
All that I'm dying for	But how far would I (16) come
All that I can't (4) (5) at night	Without mourning your love?
All that I'm (6) for	All that I'm (17) for
Although I wanted more	All that I'm (18) for
Lock the last open door	All that I can't ignore (19) at night
My ghosts are gaining on me	All that I'm (20) for
I believe that dreams are sacred	Although I wanted more
Take my darkest fears and play them	Lock the last open door
Like a lullaby	My ghosts are gaining on me
Like a (7) why	Should it hurt to (21) you?
Like a play of my obsessions	Should I (22)
Make me understand the lesson	Should I lock the last (24) door
So I'll find myself	My ghosts are gaining on me
So I won't be (8) again	
All (9) I'm living for	
All that I'm dying for
