Fill in the gaps

All That I'm Living For by Evanescence

All that I'm (1) for	All that I'm living for
All that I'm (2) for	All (14) I'm dying for
All that I can't ignore alone at night	All that I can't ignore alone at night
I can feel the night beginning	All that I'm wanted for
Separate me from the living	Although I (15) more
Understanding me	Lock the (16) open door
After all I've seen	My ghosts are gaining on me
Piecing (3) thought together	Guess I thought I'd have to change the world
Find the words to make me better	To make you see me
If I only knew	To be the one
How to (4) (5) apart	I (17) have run forever
All that I'm living for	But how far (18) I have come
All that I'm dying for	Without mourning (19) love?
All that I can't (6) alone at night	All that I'm living for
All that I'm wanted for	All (20) I'm dying for
Although I (7) more	All (21) I can't ignore (22) at night
Lock the last (8) door	All (23) I'm (24) for
My ghosts are (9) on me	Although I (25) more
I believe that dreams are sacred	Lock the (26) open door
Take my (10) (11) and play	My ghosts are gaining on me
them	Should it (27) to love you?
Like a lullaby	Should I feel (28) I do?
Like a reason why	Should I lock the last open door
Like a (12) of my obsessions	My ghosts are gaining on me
Make me understand the lesson	
So I'll find myself	
So I won't be (13) again
