## All That I'm Living For by Evanescence

All that I'm (1) for	All that I'm living for
All that I'm dying for	All (6) I'm dying for
All that I can't ignore alone at night	All that I can't (7) alone at night
I can feel the night beginning	All that I'm (8) for
Separate me from the living	Although I wanted more
Understanding me	Lock the last open door
After all I've seen	My ghosts are gaining on me
Piecing every thought together	Guess I thought I'd (9) to change the world
Find the (2) to make me better	To make you see me
If I only knew	To be the one
How to pull myself apart	I could have run forever
All that I'm (3) for	But how far would I have come
All that I'm dying for	Without mourning your love?
All that I can't ignore alone at night	All that I'm living for
All that I'm wanted for	All that I'm dying for
Although I (4) more	All that I can't ignore alone at night
Lock the last open door	All that I'm wanted for
My ghosts are (5) on me	Although I wanted more
I believe that dreams are sacred	Lock the last open door
Take my darkest fears and play them	My ghosts are gaining on me
Like a lullaby	Should it hurt to love you?
Like a reason why	Should I feel like I do?
Like a play of my obsessions	Should I (10) the last open door
Make me understand the lesson	My ghosts are gaining on me
So I'll find myself
