

## Fill in the gaps

Look at us break our bonds	In what we're doing in here
In this kitchen	That doesn't show up
Look at us rallying	As bigger symptoms out there
All our defenses	So why (7) all our time
Look at us waging war	In dressing our bandages
In our bedroom	When we've the ultimate
Look at us jumping ship	Key to the (8) right here our underneath
In our dialogs	How I've spun my wheels
There is no difference	With carts before my horse
In what we're (1) in here	When shine on the outside
That doesn't show up	Springs from the root
As (2) symptoms out there	Spotlight on (9) seeds
So why spend all our time	Of (10) reasons
In dressing our bandages	This core, (11) into form
When we've the ultimate	Starts in my (12) room
Key to the cause right (3) our underneath	There is no difference
Look at us (4) our cliques	In (13) we're doing in here
In our sandbox	That doesn't show up
Look at us micro kids	As (14) (15) out there
With both our (5) blocked	So why spend all our time
Look at us turn away	In dressing our bandages
From all the (6) spots	When we've the ultimate
Look at dictatorship	Key to the (16) (17) here out
On my own block	underneath
There is no difference
