Keep Your Head Up by Ben Howard

I spent my time, watching	(Oh oh oh)
The spaces that have (1)(2)	I'm happy to have you home
us	(Oh) yeah
And I cut my mind	Keep your head up
On the (3) best	Keep (11) heart strong
(Oh) the scars that come with the greenness	No, no, no, no
And I gave my eyes to the boredom	Keep your mind set
Still the seabed wouldn't let me in	Keep your hair long
And I try my (4) to embrace the darkness	(Oh) my, my darling
In which I swim	Keep your (12) up
Now walking back	Keep your (13) strong
Down this mountain	No, no, no, no
The (5) of a turnin' tide	Keep your (14) set in your ways
(Oh) the wind so soft, and my skin	Well, keep your heart strong
Yeah, the sun so hot upon my side	'Cause I'll (15) remember you the same
(Oh) lookin' out at (6) happiness	(Oh) eyes like wildflowers
I searched for between the sheets	(Oh) with your (16) of change
(Oh) feelin' blind, I realize	(Keep (17) head up)
All I was searchin' for, was me	(Keep (18) heart strong)
(Oh oh oh) all I was searchin' for was me	May you find (keep your (19) up)
(Oh) yeah	Happiness here (keep your heart strong)
Keep your head up	(Keep your head up)
Keep your heart strong	May all (keep (20) heart strong)
No, no, no, no	Your (21) all (22) out right (keep your
Keep your mind set	(23) up)
Keep your hair long	(Keep (24) heart strong)
(Oh) my, my darling	Keep your head up
Keep your (7) up	Keep your heart strong
Keep your (8) strong	(Keep your head up)
(Na oh no no)	No, no, no, no (keep your heart strong)
Keep your (9) set in your ways	Keep your mind set
Keep your heart strong	Keep your hair long
Now I saw a friend of mine	(Oh) my, my darling
The other day	Keep your head up
And he told me that my eyes were gleaming	Keep (25) heart strong
(Oh) I said I'd been away	No, no, no, no
And he knew	Keep your mind set in your ways
(Oh) he knew the (10) I was meaning	Keep your heart strong
And it felt so good	'Cause I'll always remember you the same
To see his face	(Oh) eyes like wildflowers
All the comfort invested in my soul	(Oh) with (26) demons of change
(Oh) to feel the warmth	
Of his smile	
When he said "I'm happy to have you home"
