

Fill in the gaps

And (1) yo
When you fall down
When you're scared
And you're lost
Be brave
I'm coming to hold you now
When all your strength has gone
And you feel wrong
Like your life has slipped away
Follow me
You can follow me
And I, I will not desert you now
When your fire's died out
No one's there
They have left you for dead
Follow me
You can follow me

I will keep you safe

When darkness falls

Follow me
You can (2) me
l will (3) you
I won't let them hurt, hurt you, no
(Oooh yeah)
When (4) heart is breaking
You can follow me
You can (5) me
I (6) always keep you safe
Follow me
You can trust in me
I will always (7) you, my love
Feel (my love)
Feel (my love)
