## A Whole New World by Peabo Bryson & Regina Belle

I can show you the world	I can't go back
Shining, shimmering, splendid	To where I used to be (a (13) new world)
Tell me princess	With new horizons to pursue
Now (1) did you (2) let your heart	I'll chase them anywhere
decide	There's time to spare
I can (3) your eyes	Let me share this (14) new (15)
Take you (4) by wonder	with you
Over, (5) and under	A (16) new (17) (a
On a magic carpet ride	(18) new world)
A whole new world	A new fantastic point of view
A new fantastic point of view	No one to (19) us no
No one to (6) us no	Or where to go
Or where to go	Or say we're (20) dreaming (a whole new world)
Or say we're only dreaming	Every (21) a surprise
A whole new world	With new horizons to pursue (every moment red letter)
A (7) (8) I never knew	I'll chase them anywhere
But, now, from way up here	There's time to spare
It's crystal clear	Anywhere, there's (22) to spare
That now I'm in a whole new (9) with you	Let me share this (23) new world
Unbelievable sights	With you, you
Indescribable feeling	A whole new world (a whole new world)
Soaring, tumbling, freewheeling	That's where we'll be (where we will be)
Through an endless diamond sky	A (24) chase
A whole new (10) (don't you (11)	A (25) place
close your eyes)	For you and
A hundred thousand things to see (hold your breath)	Me
(It (12) better) I'm like a shooting star
