### Gonna Make You Sweat (Everybody Dance Now) by C&C Music Factory

Everybody dance now	Let the music take your soul
Everybody dance now	Let the (9) move you
Give me the music	Everybody dance now
Give me the music	Everybody dance now
Everybody dance now	Everybody dance now
Everybody dance now	Pause, take a breath and go for yours
Everybody dance now	On my command now hit the (10) floor
Everybody	It's (11) make you sweat till you bleed
Here is the dome	Is (12) dope enough, indeed
Back with the bass	I paid the price, I control the dice
The jam is live in effect and I don't waste time	I'm more precise
On the (1) with a dope rhyme	To the (13) I'm nice
Jump to the rhythm, jump, jump to the rhythm, jump	The music (14) control, your (15)
And I'm (2) to combine	and soul unfold
Beats and lyrics to make your shake your pants	Your body is (16) and a whole
Take a chance	Dance (17) you can't, dance till you can't
Come on and dance	(18) no more
Guys grab a girl, don't wait, (3) her twirl	Get on the floor and get raw
It's (4) world and I'm just a squirrel	Then come back and upside down, easy now
Trying to get a nut	Let me see you move
To move your butt to the dance floor	Left to right (groove)
So you what's up	Work me all night
Hands in the air	The (19) is my life
Come on say yeah	Everybody dance now
Everybody (5) here, (6)	Everybody (20) now
over there	Everybody dance now
The crowd is (7) and I pursue this groove	Everybody
Party people in the house, move	Come on let's sweat
Left to (8) (groove)	Baby
Work me all night	Let the (21) take control
Come on let's sweat	Let the (22) move you
Baby	Sweat
Let the music take control	Sweat
Let the rhythm move you	Let the (23) take your soul
Sweat	Let the (24) move you
Sweat
