

## Fill in the gaps

Grew up in a small town
And when the (1) would fall down
I'd just stare out my window
Dreaming of what could be
And If I end unhappy
I would pray
Trying hard to (2) out
But when I try to speak out
Felt like no one could hear me
Wanted to belong here
But something felt so wrong here
So I'd pray
I could breakaway
I'll spread my wings and I'll learn how to fly
I'll do what it takes, till I touch the sky
I gotta make a wish, take a chance
Make a change, and breakaway
Out of the (3) and Into the sun
But I won't forget of the ones that I love
I'll (4) a risk, take a chance
Make a (5) and breakaway
Wanna feel the (6) breeze
Sleep under a palm tree
Feel the rush of the ocean
Get onboard a fast train
Travel on ietplane

Far away and breakaway
I'll spread my wings and I'll learn how to fly
I'll do what it takes 'till I touch the sky
I gotta make a wish, take a chance
Make a change and breakaway
Out of the darkness and into the sun
But I won't forget of the ones that I love
I'll take a risk, (7) a chance
Make a change, and breakaway
Buildings with a hundred floors
Swinging (8) revolving doors
Maybe I don't know where they'll take me
Gotta keep moving, moving on
Fly away, breakaway
I'll spread my (9) and I'll learn how to fly
Though it's not easy to tell you goodbye
I gotta take a risk, take a chance
Make a change and breakaway
Out of the darkness and into the sun
But I won't forget of the place I come from
I gotta take a risk, take a chance
Make a (10) and breakaway
