

Fill in the gaps

Don't ask me	You were there
What you know is true	Two worlds collided
Don't (1) to tell you	And they could never, ever, tear us apart
I love your precious heart	I (don't ask me)
I.	I was standing (you (3) it's true)
I was standing	You were there (worlds collided)
You were there	Two worlds (4) (were
Two worlds collided	(5) through)
And they could never tear us apart	And (6) could never tear us apart
We could live	You (don't ask me)
For a thousand years	You were (7) (you know it's true)
But if I hurt you	I was there (worlds collided)
I'd make wine from your tears	Two (8) (9) (were
I told you	(10) through)
That we could fly	And they could never tear us apart
'Cause we all have wings	I .
But (2) of us don't know why	I was standing
I was standing	You were there
