Brighter Than The Sun by Colbie Caillat

Stop me on the corner			Never (6) this way before	
I swear you hit me like a vision			Ain't felt this way before	
I, I, I wasn't expecting			I (7) you hit me (8)	a visior
But who am I to tell fate			I, I, I wasn't expecting	
Where it's supposed to go with it			But who am I to tell fate	
Don't you blink, you might miss it			Where it's supposed to go	
See, we got a right to (1) ((2)	it or leave	(Oh) this is how it starts	
it			Lightning strikes the heart	
You find it and keep it			It goes off like a gun	
'Cause it ain't every day			Brighter than the sun	
You get the chance to say			(Oh) we could be the stars	
(Oh) this is how it starts			Falling from the sky	
Lightning strikes the heart			Shining how we want	
It goes off like a gun			Brighter (9) the sun	
Brighter than the sun			(Oh) this is how it starts	
(Oh) we could be the stars			Lightning strikes the heart	
Falling from the sky			It goes off like a gun	
Shining how we want			Brighter than the sun	
Brighter than the sun			(Oh) we could be the stars	
I (3) seen it			Falling from the sky	
I found this love			Shining how we want	
I'm gonna (4) it			Brighter than the sun	
You better believe I'm gonna treat it			Brighter than the sun	
Better than anything I've ever had			Brighter than the sun	
'Cause you're so damn beautiful			Brighter than the sun	
Read it			(Oh) this is how it starts	
It's signed and delivered, let's seal it			Lightning strikes the heart	
Boy, we go together like peanuts and Paydays			It goes off like a gun	
Marley and reggae			Brighter than the sun	
And everybody needs to get a chance to say			(Oh) this is how it starts	
(Oh) this is how it starts			Lightning strikes the heart	
Lightning strikes the heart			It goes off like a gun,	
It goes off like a gun			Brighter (10) the sun	
Brighter than the sun			(Oh) this is how it starts	
(Oh) we could be the stars			Lightning strikes the heart	
Falling from the sky			It goes off like a gun	
Shining how we want			Brighter than the sun	
Brighter than the sun			(Oh) this is how it starts	
Everything is like a white-out			Lightning strikes the heart	
'Cause we shook-a-shook-a shine down			It goes off like a gun	
Even when the, (5) the light's out			Brighter than the sun
