## Back To December by Taylor Swift

I'm so glad you made time to see me	And I go back to december all the
How's life?, tell me how's your family	It (4) out freedom
I haven't seen them in a while	Ain't (5) but mi
You've been good, busier than ever	Wishing that I realized what I had
We small talk, work and the weather	When you were mine
Your guard is up and I know why	I'd go back to december
Because the last time you saw me	Turn (6) and (7)_
Is (1) burned in the back of your mind	I go back to december all the time
You gave me roses and I left them there to die	I miss your tan skin, your sweet s
So this me swallowing my pride	So good to me, so right
Standing in front of you	And how you held me in your arm
Saying I'm sorry for that night	That september night
And I go back to december all the time	The first time you (8) s
It turns out freedom	Maybe this is wishful thinking
Ain't nothing but missing you	Probably my mindless dreaming
Wishing that I realized what I had	If we (9) again I swe
When you were mine	I'd go back in time and change it I
I'd go back to december	So if the chain is on your door I up
Turn around to make it alright	This is me swallowing my pride
I go back to december all the time	Standing in front of you
These days I haven't been sleeping	Saying I'm (10) for t
Staying up playing back myself leaving	And I go back to december
When your birthday passed and I didn't call	It turns out freedom
Then I think about summer	Ain't nothing but missing you
All the beautiful times	Wishing that I realized what I had
I watched you (2) from the passenger	When you were mine
side	I'd go back to december
And realized that I (3) you in the fall	Turn around and make it alright
Then the cold came	I'd go back to december
The dark days when fear crept into my mind	Turn around and change my own
You gave me all your love	I go back to december all the time
And all I gave you was goodbye	All the time
So this is me swallowing my pride	

And I go back to december all the time
It (4) out freedom
Ain't (5) but missing you
Wishing that I realized what I had
When you were mine
I'd go back to december
Turn (6) and (7) my own mind
I go back to december all the time
I miss your tan skin, your sweet smiles
So good to me, so right
And how you held me in your arms
That september night
The first time you (8) saw me cry
Maybe this is wishful thinking
Probably my mindless dreaming
If we (9) again I swear I'd love you right
I'd go back in time and change it but I can't
So if the chain is on your door I understand
This is me swallowing my pride
Standing in front of you
Saying I'm (10) for that night
And I go back to december
It turns out freedom
Ain't nothing but missing you
Wishing that I realized what I had
When you were mine
I'd go back to december
Turn around and make it alright
I'd go back to december
Turn around and change my own mind
I go back to december all the time
