On your bicycle

Fill in the gaps

C'mon Let Me Ride by Skylar Grey & Eminem

And the wheels go round	I'm (5) ****** with you
And round	**** you for thinking it's true
And round	I'm not like the sluts in this town
If you got a sweet tooth	They make me (blehh) in my mouth
You can taste my watermelons	I wanna ride on your bike
If the (1) set bores you	'Cause you're the boy that I like
I can (2) you all my talents	It's like I'm a sell out for you
I can wear a tan	But your bike's so shiny and new, shiny and new
Like other ****** can't	She's distracted
You can have all this, boy	By my reflectors, man, I can tell the chick's attracted
And there's only one thing that I want from you	My wheels spoke to her, my Schwinn is a chick magnet
Come on, let me ride your bicycle	Bagging up chicks like a bag of chips
It's so fantastical	With a bag of prophylactics as big as Mick Jagger lips
On your bicycle	Shagging's something I'm a pro at
We can get a little more physical	But I ain't practicing ****
Baby, after all it's only natural	Allen Iverson has safe sex
I feel it coming, coming, coming	Condoms are for practice, man, I skip practice
I feel it running, running, running	Flip backwards while I flip this bike on its banana seat
Come on, let me ride (3) bicycle	My fantasy's to have you land where the kick (6)
It's so fantastical	is
On your bicycle	Got this ***** gagging, they call me the broad killer
You want to ride my bicycle	I'm the cousin of Godzilla
You want to ride my bike	'Cause I spit (7) and my dick is dragging
If the world starts freezing	Zig-zagging up the avenue
I can make it hot and humid	Pulling these chicks in my antagonist, wagon
If you get a bee sting	Screaming
I can suck out all the poison	Come on, let me ride your bicycle
I can make you last	It's so fantastical
Like all the ****** can't	On your bicycle
Have I made it clear, boy	We can get a (8) more physical
There's only one thing (4) I want from you, hey	Baby, after all, it's only natural
Come on, let me ride your bicycle	I feel it coming, coming
It's so fantastical	I feel it running, running
On your bicycle	Come on, let me ride your bicycle
We can get a little more physical	It's so fantastical
Baby, after all, it's only natural	On your bicycle
I feel it coming, coming, coming	You want to ride my bicycle
I feel it running, running, running	You (9) to ride my bike
Come on, let me ride your bicycle	You want to ride my bicycle
It's so fantastical	You want to ride my bike
