

To your friends when they ask me

## Fill in the gaps

I've asked about you and they told me things		Even though we both (6) that you do
But my mind didn't change		You do
And I (1)	feel the same	One time, been in love one time
What's a life with no fun?		You and all your girls in the club one time
Please don't be so ashamed		All so convinced that you're following your heart
I've had mine, you've had yours, we both know		'Cause your mind don't control
We know		What it does sometimes
They don't get you like I will		We all (7) our nights though
My only (2) is I die real		Don't be so ashamed
Cause that truth hurts, and those lies heal		I've had mine, you've had yours, we both know
And you can't sleep thinking that he lies still		We know (we know)
So you cry still, tears all in the pillow case		You hate being alone, you ain't the only one
Big girls all get a little taste		You hate the fact (8) you bought the dream
Pushing me away so I give her space		When they sold you one
Dealing with a heart that I didn't break		You love your friends
I'll be there for you, I (3) care for you		But somebody should've (9) you something
I keep thinking you just don't know		To save you
Trying to run from that		Instead they say
Say you're done with that		Don't (ha ha ha ha) tell me (ha ha ha ha)
On your face, girl, it just don't show		I don't care (ha ha ha ha)
When you're ready, just say you're ready		If you hurt (ha ha ha ha)
With all the baggage just ain't as heavy		I don't (ha ha ha ha) tell you
And the party's over, just don't forget me		You don't care (ha ha ha ha)
We'll change the (4) and we'll just go slow		If you're true (ha ha ha ha)
You won't ever have to worry		Don't (ha ha ha ha) tell me (ha ha ha ha)
You won't ever have to hide		I don't care (ha ha ha ha)
You've seen all my mistakes		If you hurt (ha ha ha ha)
So look me in my eyes		I don't (ha ha ha) tell you
'Cause if you let me, here's what I'I do		You don't care (ha ha ha ha)
I'll take care of you		If you're true (ha ha ha ha)
I've (5)	and I've lost	I know you've been hurt by someone else
(Yeah)		I can tell by the way you carry yourself
It's my birthday, I'll get high if I want to		If you let me, here's what I do
Can't deny that I want you		I'll take care of you
But I'll lie if I have to		I've loved and I've lost
Cause you don't say you love me
