## Love On Top by Beyoncé

## Fill in the gaps

	You're the one that gives your all
Ring the beat in!	You're the one I can always call
Honey, honey	When I need you, make everything stop
I can see the stars all the way from here	Finally you put my love on top
Can't you see the glow on the window pane?	Baby it's you, you're the one I love
I can feel the sun whenever you're near	Baby, you're the one I need
Everytime you touch me I just melt away	You're the only one I see
Now (1) ask me why I'm	Come on baby it's you
(2) up	You're the one that gives your all
From ear to ear	You're the one I can always call
They say that love hurts, but I know	When I need you, you make everything stop
It's (3) take the real work	Finally you put my love on top
Nothing's perfect but it's (4) it	Baby it's you, you're the one I love
After fighting through my tears	Baby, you're the one I need
And finally you put me first	You're the (9) one I see
Baby it's you, you're the one I love	(Oh) Baby, baby it's you
You're the one I need	You're the one that gives your all
You're the only one I see	You're the one I can always call
Come on baby it's you	When I need you, you make everything stop
You're the one that (5) your all	Finally you put my love on top
You're the one I can always call	Baby it's you, you're the one I love
When I need you, you make everything stop	Baby, you're the one I need
Finally you put my (6) on top	You're the only one I see
(Huum) Come on baby	Baby, baby it's you
You put my (7) on top top top	You're the one that gives your all
You put my love on top (huum) come on baby	You're the one I can always call
You put my love on top top top	When I need you, you make everything stop
Top you put my love on top (you put my love on top)	Finally you put my love on top
Baby it's you, you're the one I love	
You're the one I need	
You're the only one I see	
Come on (8) it's you
