

Fill in the gaps

As the winter winds	res, my neart told my nead
Litter (1) with lonely hearts	"This time no, this time no"
(Oh) the warmth in your eyes	(Oh) the shame that sent me off
Swept me into your arms	From the God (10) I (11) loved
Was it (2) or fear of the cold	Was the (12) that (13) me into you
That led us (3) the night?	arms
For every kiss	(Oh) and (14) is won
Your beauty trumped my doubt	When you are lost and I am gone
And my head told my heart	And no hope
"Let love grow"	No (15) will overcome
But my heart (4) my head	But if your strife
"This time no, (5) time no"	Strikes at your sleep
We'll be washed and buried	Remember spring swaps (16) for leaves
One day my girl	You'll be happy and (17) again
And the (6) we were given	When the city (18) and sun ascends (hey)
Will be left for the world	And my (19) (20) my heart
The (7) (8) lived and loved	"Let love grow"
Will be eaten by plague	But my (21) told my head
So let the memories	"This time no"
Be good for those who stay	And my head told my heart
And my head told my heart	"Let love grow"
"Let love grow"	But my heart (22) my head
But my heart told my head	"This (23) no, (24) (25) no"
"This (9) no"
