l'll Go Crazy If I Don't Crazy Tonight by U2

She's a rainbow and she loves the peaceful life	It's not a hill, it's a mountain
Knows I'll go (1) if I don't go (2)	As you start out the climb
tonight	Listen for me, I'll be shouting
There's a part of me in the chaos that's quiet	We're gonna make it all the way to the light
And there's a part if you that wants me to riot	But I know I'll go crazy if I don't go crazy tonight
Everybody (3) to cry or needs to spit	Baby, baby, baby, I know I'm not alone
Every sweet tooth needs (4) a little hit	Baby, baby, baby, I know I'm not alone
Every beauty needs to go out with an idiot	It's not a hill, it's a mountain
How can you stand next to the truth and not see it?	As you start out the climb
A change of heart comes slow	Listen for me, I'll be shouting
It's not a hill, it's a mountain	Shouting to the darkness, squeeze out sparks of light
As you start out the climb	You know we'll go crazy
Do you (5) me, or are you doubting?	You know we'll go crazy
We're (6) it all the way to the light	You know we'll go crazy if we don't go crazy tonight
But I know I'll go crazy if I don't go crazy tonight	(Oh)
Every (8) gets a chance to change	Slowly now
the world	(Oh)
Pity the (9) that won't listen to your boys and	
girls	
'Cause the sweetest (10) is the one we	
haven't heard	
Is it true that perfect love drives out all fear?	
The right to appear ridiculous is something I hold dear
