

## Fill in the gaps

The sun is sleeping quietly	Will be (7) by a night
Once upon a century	A moment for the poet's play
Wistful oceans calm and red	Until there's (8) left to say
Ardent caresses laid to rest	I wish for this night-time
For my dreams I hold my life	To last for a lifetime
For wishes I behold my night	The darkness around me
The (1) at the end of time	Shores of a solar sea
Losing (2) a crime	Oh, how I (9) to go down with the sun
I wish for this night-time	Sleeping
To last for a lifetime	Weeping
The darkness around me	With you
Shores of a solar sea	I wish for (10) night-time
(Oh) how I (4) to go (5) with the sun	To last for a lifetime
Sleeping	The darkness around me
Weeping	Shores of a solar sea
With you	(Oh) how I wish to go down with the sun
Sorrow has a (6) heart	Sleeping
From my god it will depart	Weeping
I'd sail before a thousand moons	With you
Never finding where to go	
Two hundred twenty-two days of light
