

Fill in the gaps

The sun is sleeping quietly	Will be (11) by a night
Once (1) a century	A (12) for the poet's play
Wistful (2) calm and red	Until there's nothing left to say
Ardent caresses laid to rest	I wish for (13) night-time
For my dreams I hold my life	To last for a lifetime
For wishes I behold my night	The darkness (14) me
The truth at the end of time	Shores of a solar sea
Losing faith (3) a crime	Oh, how I wish to go down (15) the sun
I (4) for this night-time	Sleeping
To last for a lifetime	Weeping
The darkness (5) me	With you
Shores of a (6) sea	I wish for (16) night-time
(Oh) how I (7) to go (8) (9)	To (17) for a lifetime
the sun	The (18) (19) me
Sleeping	Shores of a (20) sea
Weeping	(Oh) how I (21) to go (22) with the sun
With you	Sleeping
Sorrow has a human heart	Weeping
From my god it will depart	With you
I'd sail (10) a thousand moons	
Never finding where to go	
Two hundred twenty-two days of light
