### Church On Sunday (Live) by Green Day

Today is the (1) day of the rest	Making your (16) bleed
Of our lives	Tears down your face
Tomorrow is too late to pretend	Leaving traces of my mistakes
Everything's all right now	When I say
I'm not getting any younger as long	If I promise to go to church on Sunday
As you don't get any older	Will you go with me on Friday night?
I'm not going to (2) that yesterday never was	If you live with me, I'll die for you
Bloodshot deadbeat and a lack of sleep	And this compromise
Making your (3) bleed	If I promise to go to church on Sunday
Tears down your face	Will you go (17) me on Friday night?
Leaving (4) of my mistakes	If you (18) with me, I'll die for you
When I say	And this compromise
If I promise to go to church on Sunday	
Will you go with me on Friday night?	If I promise to go to (19) on Sunday
If you (5) (6) me, I'll die for you	Will you go with me on Friday night?
And (7) compromise	If you (20) with me, I'll die for you
I hereby (8) to tell	And this compromise
The whole truth	If I promise to go to church on Sunday
And nothing but the truth is what	Will you go (21) me on Friday night?
I'll ever hear (10) you	If you live (22) me, I'll die for you
"Trust" is a (11) word (12) comes	And this compromise
Only (13) such a liar	And (23) compromise
• • •	
But "respect" is something I will earn	I said, compromise
But "respect" is something I will earn  If you (14) faith	I said, compromise
