Bloodshot deadbeat and a lack of sleep

Fill in the gaps

Church On Sunday (Live) by Green Day

Today is the first day of the rest	Making your mascara bleed
Of our lives	Tears down your face
Tomorrow is too late to pretend	Leaving traces of my mistakes
Everything's all right now	When I say
I'm not getting any younger as long	If I promise to go to (5) on Sunda
As you don't get any older	Will you go with me on Friday night?
I'm not going to state that yesterday never was	If you live with me, I'll die for you
Bloodshot deadbeat and a (1) of sleep	And this compromise
Making your (2) bleed	If I promise to go to church on Sunday
Tears down your face	Will you go (6) me on Friday night?
Leaving traces of my mistakes	If you live with me, I'll die for you
When I say	And this compromise
If I promise to go to church on Sunday	
Will you go with me on Friday night?	If I promise to go to church on Sunday
If you (3) with me, I'll die for you	Will you go with me on (7) night?
And this compromise	If you live with me, I'll die for you
I hereby solemnly swear to tell	And (8) compromise
The whole truth	If I promise to go to church on Sunday
And nothing but the truth is what	Will you go with me on Friday night?
I'll ever hear from you	If you live with me, I'll die for you
"Trust" is a dirty (4) that comes	And (9) compromise
Only from such a liar	And (10) compromise
But "respect" is something I will earn	I said, compromise
