## Should've Known Better (Live) by Soluna Samay

Should've known better	She said
Now I miss you	
Like (1) misses rain	We could've written (4) on a
Changing like the weather	(5) high
Maybe it's true	Reminding ourselves to keep climbing, right
Maybe you're not gonna change	Sometimes we have to lose
I feel like you have two homes	A part of us to find the truth
Yet I feel you are homeless	Nothing more (6) (7) the
Where we live I feel like a stranger	way
When you home I feel even stranger	You used to breathe me into your lungs and soul
I live in no man's land	Sometimes we have to say
With no way (2) like you don't understand	I'm sorry I can't stay
Cuz you so here, you so there, not really anywhere	Should've known better
She said	Now I miss you
Should've known better	Like Sahara (8) rain
Now I miss you	Changing like the weather
Like Sahara misses rain	Maybe it's true
Changing (3) the weather	Maybe it's true
Maybe it's true	Should've known better
Maybe you're not gonna change	Now I miss you
Feels like I'm always	Like Sahara misses rain
Living out of my suitcase	Changing (9) the weather
What about all the years in between	Maybe it's true
Just trying to find my place	Maybe we're not gonna change
I live in no man's land	Should've known better
With no way home like you don't understand	Should've known better
Cuz you so here, you so there not really anywhere	(Thank you)
