Should've Known Better (Live) by Soluna Samay

Should've known better	She said
Now I miss you	
Like Sahara misses rain	We could've written (5) on a mountain high
Changing like the weather	Reminding ourselves to keep climbing, right
Maybe it's true	Sometimes we have to lose
Maybe you're not gonna change	A part of us to find the truth
I feel like you have two homes	Nothing (6) beautiful than the way
Yet I feel you are homeless	You used to (7) me into your lungs and
Where we live I feel like a stranger	soul
When you home I (1) even stranger	Sometimes we have to say
I live in no man's land	I'm sorry I can't stay
With no way (2) like you don't understand	Should've (8) better
Cuz you so here, you so there, not really anywhere	Now I miss you
She said	Like (9) misses rain
Should've known better	Changing like the weather
Now I (3) you	Maybe it's true
Like Sahara misses rain	Maybe it's true
Changing like the weather	Should've known better
Maybe it's true	Now I miss you
Maybe you're not gonna change	Like Sahara misses rain
Feels like I'm always	Changing like the weather
Living out of my suitcase	Maybe it's true
What about all the years in between	Maybe we're not gonna change
Just trying to find my place	Should've known better
I (4) in no man's land	Should've known better
With no way home like you don't understand	(Thank you)
Cuz you so here, you so there not really anywhere
