

(All that you can do)

## Fill in the gaps

Someone falls to pieces	To be yourself is all that you can do
Sleeping all alone	(All that you can do, hey)
Someone kills the pain	To be yourself is all that you can do
Spinning in the silence	Even when you've paid enough
She finally drifts away	Been put upon or (4) held up
Someone gets excited in a chapel yard	With every single memory of
Catches a boquet	The good or bad, faces of luck
Another lays a dozen	Don't lose any sleep tonight
White roses on a grave	I'm (5) (6) will end up
Yeah)	alright
And to be yourself is all that you can do	You may win or lose
Hey)	But to be yourself is all that you can do
To be (1) is all that you can do	(Yeah)
Someone finds salvation in everyone	To be yourself is all that you can do
Another only pain	(Oh)
Someone tries to (2) himself	To be yourself is all that you can do
Down inside (3) he prays	(All that you can do, hey)
Someone swears his true love until the end of time	To be yourself is all that you can do
Another runs away	(All that you can do)
Separate or united?	To be (7) is all that you can
Healthy or insane?	Be (8) is all (9) you can
And to be yourself is all that you can do	Be yourself
All that you can do)	Is all that you can do
To be yourself is all that you can do
