You and I	To an endless street we recess
Holding tight	For what believe we will hide
You and I	Maybe we can make it through this
Gotta fight	Is it fair,
You and I	To run away,
Side by side	Is it fair to belive this, we're victimized
You and I	For a life we didn't ask for
Sanctified	No truths to confirm
You and I	No lies to deny
Feels so right	Too (7) to care,
You and I	we're too scared to cry
Holding tight	You and I
You and I	Holding tight
Side by side	You and I
You and I	Gotta fight
For the (1) of our lives	You and I
Every night	Side by side
We're all alone every night	You and I
My only hope is a light	Sanctified
That's shining (2) inside you	You and I
Cause we believe	Feels so right
In (3) we are you believe	You and I
In what we'll be in this dream	Holding tight
So I can stand (4) you	You and I
No truths to confirm	Side by side
No lies to deny	You and I
Too (5) to care,	For the rest of our lives
We're too (6) to cry	You and I
You and I	Holding tight
Holding tight	You and I
You and I	Gotta fight
Gotta fight	You and I
You and I	Side by side
Side by side	You and I
You and I	Sanctified
Sanctified	You and I
You and I	Feels so right
Feels so right	You and I
You and I	Holding tight
Holding tight	You and I
You and I	Side by side
Side by side	You and I
You and I	For the (8) of our lives
For the rest of our lives
