

Every second is a lifetime

Fill in the gaps

Does it feel better than love?

And every minute more brings you closer to God
And you see nothing but the red lights
You let your body burn (1) never before
And it feels better than love
Yeah it feels (2) than love
Every (3) is a lifetime
And every minute more brings you closer to God
And you see nothing but the red lights
You let your body burn (4) never before
And it feels better (5) love
Yeah it feels better than love
Turn away, turn away, close your eyes, you can runaway
It's not enough
Another second in the sunshine
A decade in the dark taking part in a dream
Have you forgotten what she looks like?
Or do you only see (6) you want to believe?

Does it (7) better than love?
Turn away, turn away, close your eyes, you can runaway
It's not enough
I see the lights through the rain
(Oh) tonight
But they never change
So what is love?
Does it feel better than love?
Does it feel better than love?
Turn away, turn away, (8) your eyes, you car
runaway
It's not enough
I see the (9) through the rain
(Oh) tonight
But they never change
So what is love?
