

## Fill in the gaps

Every second is a lifetime	Does it feel (7) than love?
And every minute more brings you closer to God	Does it feel better (8) love?
And you see nothing but the red lights	Turn away, turn away, close (9) eyes, you can
You let your body burn like never before	runaway
And it feels better than love	It's not enough
Yeah it feels better than love	I see the lights through the rain
Every second is a lifetime	(Oh) tonight
And every minute (1) (2) you	But they never change
closer to God	So what is love?
And you see nothing but the red lights	Does it feel better than love?
You let your (3) burn like never before	Does it (10) better than love?
And it feels better (4) love	Turn away, turn away, close your eyes, you can runaway
Yeah it feels (5) love	It's not enough
Turn away, turn away, close your eyes, you can runaway	I see the lights through the rain
It's not enough	(Oh) tonight
Another second in the sunshine	But they never change
A decade in the dark taking part in a dream	So what is love?
Have you forgotten what she looks like?	
Or do you only see what you want to believe?
