'Cause you'll always be a part of me

Fill in the gaps

Funny Little Word by Alexander Rybak

Suddenly I'm famous	Whatever (15) will bring
And people (1) my name	And people have to (16) with you
I've got a thousand girls (2) waiting	This silly song I sing
And therefore it's a shame	Your boyfriends might be angry
That my (3) has been captured	My girlfriends might be blue
By your funny little smile	But no one can deny it
And (4) I'm happy	From now on I love you
If only for a while	And I have to say it's new to me
People call me stupid	This feeling in my heart
For treating you like a queen	Guess I've been kind of lonely
But I don't even worry	And you've been kind of smart
'Cause you're my unforeseen	And I don't know for sure
And I hope that you'll be with me	Where this is going
If only in my dreams	Still I hope for more and more
But here you are (5) to me	'Cause who (17) (18) that you
And you're (6) or so it seems	Would treat me (19) a boy
And I don't (7) for sure	And I (20) you like a girl
Where this is going	In this (21) little world
Still I hope for more and more	And I don't (22) for sure
'Cause who would (8) that you	Where this is going
Would treat me (9) a boy	Still I hope for more and more
And I treat you (10) a girl	'Cause who would know that you
In (11) funny (12) world	Would treat me like a boy
Don't (13) me forever	And I treat you like a girl
Just love me day by day	In (23) funny little world
No one knows the future	This funny (24) world
We're (14) but that's okay
