Maneater by Nelly Furtado

Maneater, make you work hard

Fill in the gaps

(Take it back, take it back)	Make you spend all
Everybody look at me, me	Make you (7) all of her love
I walk in the door you start screaming	She's a maneater, make you buy cars
Come on everybody what you're here for	Make you cut cards
Move your body around like a nympho	Make you fall real hard in love
Everybody get your (1) to crack around	She's a maneater, make you work hard
All you crazy people come on jump around	Make you spend all
I wanna see you all on your knees, knees	Make you want all of her love
You either (2) be (3) me or be me	She's a maneater, make you buy cars
(come on, man)	Make you cut cards
Maneater, make you work hard	Wish you never ever met her at all
Make you spend all	Maneater, make you work hard
Make you want all of her love	Make you spend all
She's a maneater, make you buy cars	Make you want all of her love
Make you cut cards	She's a maneater, make you buy cars
Make you fall real hard in love	Make you cut cards
She's a maneater, make you work hard	Make you fall real hard in love
Make you spend all	She's a maneater, make you work hard
Make you want all of her love	Make you spend all
She's a maneater, make you buy cars	Make you want all of her love
Make you cut cards	She's a maneater, make you buy cars
Wish you never (4) met her at all	Make you cut cards
And when she walks she walks with passion	Wish you (8) ever met her at all
When she talks, she talks like she can handle it	Never ever met her at all
When she asks for something boy, she means it	You (9) you never ever met her at all
Even if you never, ever see it	You wish you never ever met her at all
Everybody get your neck to crack around	You wish you never ever met her at all
All you crazy people come on jump around	You wish you never ever met her at all
You're doing anything to (5) her by (6)	
side	
Because she says she love you, love you long time
