

Explosions by Ellie Goulding

Fill in the gaps

You trembled like you'd seen a ghost
And I gave in
I lack the things you (1)_____ the most, you said
Where have you been
You wasted all that sweetness to run and hide
I wonder why
I remind you of the days you poured your heart into
But you never tried
I've fallen from grace, took a blow to my face
I've loved and I've lost, I've loved and I've lost
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it (2)_____ never be the same
It will never be the same
You left my soul bleeding in the dark
So you could be king
The rules you set are still untold to me and I've
Lost my faith in everything
The nights you could cope
Your intentions were gold
But the mountains will shake
I need to know I can still make explosions

On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will (3)_____ be the same
And as the floods move in
And your body (4)_____ to sink
I was the last (5)_____ on (6)_____ mind
I know you better than you think
'Cause it's simple, darling
I gave you a warning
Now everything you own
Is falling from the sky in pieces
So watch them fall with you in slow motion
I pray (7)_____ you'll find (8)_____ of mind
And I'll find you (9)_____ time
I'll (10)_____ you, another time
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
