

You trembled like you'd seen a ghost

And I gave in

I lack the things you need the most, you said

Where have you been

You wasted all that sweetness to run and hide

I wonder why

I remind you of the days you poured your heart into

But you never tried

I've fallen from grace, took a blow to my face

I've loved and I've lost, I've loved and I've lost

Explosions

On the day you wake up needing somebody

And you've learned

It's okay to be afraid

But it will never be the same

It will never be the same

You left my soul bleeding in the dark

So you (1)\_\_\_\_\_ be king

The rules you set are still untold to me and I've

Lost my faith in everything

The nights you could cope

Your intentions were gold

But the mountains will shake

I need to know I can still make explosions

And as the (2) move in
And your body (3) to sink
I was the last thing on (4) mind
I know you (5) (6) you think
'Cause it's simple, darling
I gave you a warning
Now everything you own
Is (7) from the sky in pieces
So watch (8) fall with you in slow motion
I (9) that you'll find peace of mind
And I'll find you another time
I'll love you, (10) time
Explosions
On the day you wake up needing somebody
And you've learned
It's okay to be afraid
But it will never be the same
